As winter approaches, many people find themselves faced with the prospect of new projects or upcoming renovations. Always keeping a pulse on trends, Arizona Tile continues to stock the most distinctive materials in the design industry. Highlighted below are some of the most notable new tile and stone products, sure to motivate and inspire you.

Geo 2

Geo 2 is Arizona Tile's newest glass mosaic series featuring contemporary, geometric patterns in a stylish color palette. Created from recycled glass, this mini hex includes three patterns and five solid colors - both work well together as feature and accent pieces in your design. Its recommended uses include interior floors and walls, shower floors and walls - including steam showers, and pool and spa, among others. Colored with inert natural minerals and enamel, this full body product is immune from fading or discoloration. Be sure to also check out the special order series, Geo, which offers additional patterns and colors as well.
