## **Arizona Tile Unveils Latest Natural Stone Tile Collections**

With summer in full swing, it's the perfect time to refresh your space with a home renovation project. Arizona Tile is excited to introduce a range of new natural stone tile products designed to inspire creativity and elevate any design aesthetic.

For lovers of natural stone, our newest additions offer a rich palette of colors and textures. Atlantic Grey is a striking brownish-grey marble featuring dramatic variations from light to dark, while Jade blends sage green, cream, and grey for a soft, organic look.

For those drawn to more neutral tones, Dolomite White is a dense, dolomitic marble with subtle linear veining that enhances its clean white background. Available in eight unique shapes, it's a versatile choice for a variety of applications.

Calacatta Umber brings timeless elegance with its white marble base and vibrant gold veining. Offered in two finishes and seven captivating patterns—including a Split 3D Stack Mesh—this collection adds a luxurious touch to any space.

*Cloudy Limestone 12x 24*

Our new Cloudy Limestone is both beautiful and durable, available in 12x24 and 18x36 sizes and two finishes. Its density makes it ideal for both interior and exterior use, from floors and walls to fireplaces, and beyond.

We're also introducing several new series that expand our natural stone offerings with a variety of shapes and finishes. Highlights include the 4x16 Split, Large Chevron, and Multi Finish Modella - each designed to bring texture and dimension to your next project.

With these exciting new additions, Arizona Tile continues to offer versatile, high-quality options that elevate any design. From bold marbles to timeless neutrals, our latest collections are crafted to inspire creativity and bring lasting beauty to any space.
