At Arizona Tile, we're proud to offer an ever-growing selection of porcelain products that capture the look of natural stone, wood, metal, and more—while delivering the performance and ease of porcelain.

New Porcelain Tile Highlights

- **Invictus Series:** The Cross Cut and Vein Cut collections emulate the beauty of travertine with rich veining and organic patterns. These complementary styles bring a natural elegance to any space.
- **Intense Series:** Inspired by sedimentary limestone, this series features granules and micro-inclusions that mimic the look of embedded fossils, adding depth and character.
- **Gem Series:** A glazed ceramic wall tile with a dimensional twist, each mesh sheet includes a mix of flat, convex, and concave 2x16 tiles for a dynamic visual effect.
- **Glam Series:** Made in Italy, this glazed porcelain tile features a subtle undulating texture and a glaze with organic variation. Available in both matte and glossy finishes, it comes in a wide range of vibrant and neutral colors.
