Arizona Tile Introduces Striking New Quartz and Natural Stone Collections

Arizona Tile is proud to unveil its latest additions to the Della Terra® Quartz and natural stone collections—offering fresh, design-forward surfaces that combine timeless beauty with exceptional durability. Whether you're designing a modern kitchen, a luxurious bathroom, or a bold commercial space, these new materials provide the perfect foundation for creativity and style.

New Quartz

Della Terra® Quartz delivers a sleek, sophisticated aesthetic with long-lasting performance. Perfect for both residential and commercial applications—especially kitchens and bathrooms—this quartz line offers a wide range of color options to suit any design vision.

- **Calacatta Doria:** Make a bold statement with a bright white background and dramatic black veining.
- **Vena:** A softer, more subtle option that mimics Arabescato marble with gentle grey veining on a soft white base.
- **New Taj:** Features a creamy, mottled background with thin, dark golden veins—reminiscent of Taj Mahal quartzite.

New Natural Stone

Natural stone has long been a staple in design, and Arizona Tile's newest offerings continue that legacy with rich textures and striking color palettes.

- **Aqua Venato Quartzite:** A metamorphic stone which evolved from a sandstone, it offers warm tones and serene green veining.
- **Bella Quartzite:** This stone has a warm white background highlighted with grey and gold veining, perfect for coordinating with a variety of spaces.
- **Ebon Quartzite:** A dramatic deep black stone with contrasting white veining in unexpected, artistic patterns makes a stunning feature piece in any room.
- **Mojave Satin Quartzite:** A blend of browns with rust colored veining displays neutral colors with an interesting pattern, brings a look of sophistication to any installation.
- **Negresco Satin Granite:** This striking granite is warm black with light grey or white quartz veins that can appear smoky, which creates a dynamic contrast.

- **Perlato Taj Quartzite:** A versatile blend of creamy beige, warm gold, and soft grey tones—ideal for both traditional and contemporary spaces.
- **Silver Cloud Satin Granite:** A dynamic blend of black and white minerals with layered movement, suitable for interior and exterior applications including countertops, fireplaces, and cladding.

Whether you're planning a full renovation or simply refreshing a space, Arizona Tile's latest product additions offer something for every style and project. From the timeless elegance of natural stone to the versatility of quartz, our new collections are designed to inspire creativity and elevate any environment.
