Arizona Tile Introduces New Della Terra® Porcelain Slabs and Natural Stone Selections to Inspire Design Possibilities

Whether planning an outdoor kitchen, a primary bathroom retreat, or a high-traffic commercial space, Arizona Tile is pleased to introduce new additions to its Della Terra Porcelain Slab and Natural Stone collections. Designed to inspire creativity while delivering long-lasting performance, these surfaces offer designers and homeowners versatile options for both indoor and outdoor applications.

Della Terra Porcelain Slabs

Della Terra Porcelain Slabs are technologically advanced surfaces offered in more than 30 colors and patterns—with 10 new designs now available. These slabs capture the authentic look of marble, limestone, soapstone, quartzite, and more, while providing the durability and low maintenance benefits of porcelain.

Unaffected by UV exposure and frost-proof, Della Terra Porcelain Slabs are ideal for exterior applications. They can be installed in high-heat conditions, direct sunlight, and both interior and exterior environments, making them a perfect solution for outdoor kitchens, barbecues, fireplaces, and other demanding spaces.

Offering exceptional versatility and ease of maintenance, Della Terra Porcelain Slabs are an excellent choice for kitchen countertops, bathroom walls and showers, and fireplaces. In contrast, natural stone's one-of-a-kind beauty provides a distinct and timeless design statement. While trends may evolve, porcelain slabs and natural stone remain enduring choices—bringing lasting luxury and style to any space.

Natural Stone

For those drawn to organic beauty, Arizona Tile's Natural Stone selections showcase unique movement, variation, and character—no two pieces are ever alike. Whether a project calls for bold color or subtle elegance, natural stone adds depth and personality to any design.

Avocatus Satin – A Brazilian granite featuring rich green tones ranging from deep to light hues, accented by white quartz veining.

Chantilly Quartzite – A creamy background highlighted by striking dark grey veining that flows horizontally across the slab.

Fantasy Luxe Quartzite – A light grey surface accented with thin bands of dark grey-blue veining for a refined yet visually interesting look.

Mystic Jade Quartzite – Deep green tones softened by delicate white veining that adds contrast and movement.

Viridian Granite – A versatile and visually

About Arizona Tile

Founded in 1977 in San Diego, California, Arizona Tile has grown into a nationally recognized commercial and residential distributor in 10 Western states. Arizona Tile distributes more than 300 varieties of granite, marble, quartzite, limestone and travertine slabs and tile; over 60 colors of Della Terra® Quartz; more than 30 colors and various patterns of Della Terra® Porcelain Slabs; and over 60 series of porcelain, ceramic and glass tile. Founded by John Huarte, former NFL player and Heisman Trophy winner, the company is still family-owned after more than 45 years.
